KALISZ

In 2007 we helped to build, in partnership with “Don Orione”, a rehabilitation centre and an oratory in the city of Kalisz. In 2012 we invested € 5,000 in the renovation project of a new part of the oratory. The centre hosts children with disabilities, often caused by parental alcohol abuse during pregnancy. Physiotherapy takes place in the morning and in the afternoon children can play in the oratory.

Alcoholism is one of the most serious problems that the Country faces: the centre offers psychological therapy for children, thus trying to prevent alcohol addiction.

Every year we send out a truck or two full of food and clothing. In particular, we are able to send such important loads thanks to the precious collaboration of the “Molino Cagnolo” company of Bistagno and the “Alimentari Rapetti Food Service” company of Acqui Terme.
