

MOZAMBIQUE

Mozambique is one of the latest African Countries under the Portuguese Government that gained independence in 1975. The 15 years of civil war between the Frelimo movement, funded by the Soviet Union and the Renamo movement, funded by the neighbour segregationist Countries such as South Africa and Zimbabwe, deeply affected the Country development.

The two movements signed the peace agreement in 1992 thus beginning the new Democratic Government.

The death incidence caused by Aids is very high and it is estimated that around 350.000 children are now orphans due to this disease.

MATOLA

Need You Onlus, thanks to the support of Giordano Tamagni, assists the “Centro di Accoglienza della Missione di San Gabriele” centre in Matola.

The centre accomodates about 120 children: 80 children attend the centre only during the day while the remnants, who are orphans, live at the centre.

All the children can have an education, they have access to health care and to the canteen.

MAPUTO

Need You Onlus supports a small school in Maputo, managed by “Don Orione”. Children stay in a safe environment where they can have an education, health care and the canteen that provide them with a nutritious meal a day.

In 2016 we sent a contribution to the centre for disabled children “Don Orione”.

The centre welcomes about 40 children. Most of them have severe physical disabilities and they need assistance in the simplest daily activities. With our support we help cover the management cost of the centre to guarantee a correct nutrition to the children and the medical expenses.

IT IS POSSIBLE TO SUPPORT ALL NEED YOU ONLUS PROJECTS AND
COLLABORATIONS.

EACH PROJECT CAN HAVE THE LDS – LONG DISTANCE SUPPORT – SCHEME.
